

Greaves to resume partial manufacturing operations in Shendra, Aurangabad

Greaves welcomes Government's decision to start essential sectors to resume economic activity

Mumbai, April 25, 2020: Greaves to resume partial manufacturing operations in Shendra, Aurangabad under lock-in condition. With this permission, the company initiates comprehensive steps before starting the operations.

The Hon'ble Ministry of Home Affairs vide its notification dated 15th April 2020 issued a consolidated guidelines wherein they decided to allow certain additional commercial activities to remove the hardship of the general public arising out of lock down consequent to COVID 19 pandemic and accordingly allowed manufacturing and other industrial units located in rural areas to commence its operations subject to following mandatory guidelines and obtaining necessary approval from the appropriate government. Accordingly, Greaves Cotton Ltd (Greaves) applied and obtained necessary approval from Govt of Maharashtra to commence its operation at its plant located at Shendra MIDC, Aurangabad.

However, health and safety of our employees remains and shall continue to remain our top priority. We have aggressively instituted numerous precautionary health and safety measures for our workforce including 100% travel restrictions, self-quarantine procedures, employee social distancing, compulsory use of masks and PPE including hand sanitization guidelines, remote and flexible work schedules, enhanced paid leaves, and continuous and comprehensive deep cleaning and disinfecting of our facilities and offices.
