

### Greaves Cotton Limited

Annual Analyst Meet 30<sup>th</sup> April 2014

#### **Disclaimer**

Some of the statements in this document may include our financial and growth projections as well as statements concerning our plans, strategies, intentions and beliefs concerning our businesses and the markets in which we operate and constitute "forward looking statements" within the meaning of applicable laws and regulations.

Actual results might differ materially from those either expressed or implied. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.

### **Agenda**

1 Greaves Snapshot

2 Financial Performance

3 Strategic Drivers

## "Panchatatva" defines the Core Value of Greaves Cotton Limited

#### Transparency

There are no hidden agendas and conditions in fine print when we deal with anybody – be it an employee, a customer, a partner / vendor / associate, a shareholder or any other stakeholder. Through our actions, policies and procedures we deliver what we promise and vice versa. We always comply with disclosure norms.

#### Integrity

We always conduct business with a deep-rooted sense of fair play. We adhere to the highest ethical standards and comply with all statutory laws and regulations, in both letter and spirit.

#### Responsibility

We have a finely developed sense of ownership of our own work and its consequences. We are emotionally and intellectually involved in translating organisational goals into reality.

#### Passion for Excellence

We do not compromise. We never settle. Second best, for us, is simply not an option. With enormous energy, motivation and enthusiasm we strive to achieve best-in-class in all that we do. Across function. Across profile. Across the organisation.

#### Respect

We celebrate our differences. We respect one another. We value the opinions of all those we interact with. We treat our ecosystem – both business as well as natural – with deference and humility.

### **Greaves is one of the leading Diversified Engineering Company in India**

#### **GREAVES TODAY**

Net Sales of INR 1719 Cr (FY 2013-14)

Leading engineering company with presence in engines, farm equipment, diesel genset and construction equipment

Extensive marketing and service network through 4 Regional and 12 Sales offices and over 1200 dealers in India.

Expanding presence in international markets.
Established offices in UAE and Tanzania and focused presence across 8 countries

#### **KEY STRENGTHS**

#### **Product Development**

State of Art R&D centers with over a 100 technical personnel

#### **Cost efficient Manufacturing**

Leveraging 10 Manufacturing Units in India

#### **Strong Sales & Service Network**

Excellent reach in the Indian market;
Strengthening network globally

Greaves is proud recipient of Gold Certification - National Award for Manufacturing Competitiveness Greaves has won the title of Superbrand 2013-14 in the engineering category

### **Agenda**

1 Greaves Snapshot

**2** Financial Performance

3 Strategic Drivers

### **Key Financial Highlights of FY 2013-14**

- Weak macro environment across sectors resulted in de-growth in major product categories of 3W/
   4W SCV, Pumpset, Genset and Construction Equipment
- Revenue down by 8% y-o-y due to depressed market conditions; however Market Share maintained in all major products
- Raw Material Cost improved from 70.1% to 68.7% due to value engineering and cost reduction initiatives
- EBIDTA margin has declined from 12.9% in FY13 to 11.3% in FY14; primarily due to lower sales & increase in fixed expenses for capability building
- PAT down by 18% to Rs. 113 Cr in FY 2014 as against Rs. 138 Cr during FY 2013

<sup>\*</sup> FY11 was a curtailed 9M financial year; For comparison the FY 11 figures are taken for the period Apr'10 to Mar'11

<sup>\*\*</sup> EPS has been computed based on the PAT including exceptional items, normalised EPS for FY12, FY 13 & FY 14 is 5.9, 6.3 & 5.0 respectively

### **Agenda**

1 Greaves Snapshot

**2** Financial Performance

**Strategic Drivers** 

3

# GCL is focusing on 2 X 2 Strategy for a Talva enhancing Growth and improving Profitability

Driving growth by enhancing Product-Market Play and Strengthening the organization through Operational Excellence and Building Functional Capabilities has been identified as Key Themes of our 2X2 Strategy

#### Front End driving growth

#### 1. Expanding Product Play

- a. Timely Up gradation of current products
- b. Developing New Products

#### 2. Strengthening Market Play

- a. Developing new customers
- b. Expanding channel and reach

#### **Back End improving profitability**

#### 3. Operational Excellence

- a. Material Cost Reduction
- o. Working Capital Control
- c. Exiting Non-Strategic Areas

#### 4. Building Functional Capabilities

### **Strategic Drivers**

#### 1. Expanding Product Play

2. Strengthening Market Play

3. Operational Excellence

4. Building Functional Capabilities

## The company is making sustained investments in strengthening product portfolio

### **Emission Readiness**

- Engine and Genset readiness for CPCBII norms
- BSIV readiness for 0.6T SCV and 3W segment

- Sub 15KVA Genset
- S- Valve Concrete Pump, Boom Pump and 20 CBM Batching Plant
- Diesel Engine to Piaggio for 4W SCV (Mini- Porter) and to TVS for 3Wheeler

- Higher capacity modern automotive engines
- Development of Power Tiller and Light Agri Equipment
- Development of diesel engines for Pumpset applications
- CNG variant for 0.6T SCV (Tata Magic Iris)

# Key Highlights in FY 2013-14 Technology Centre for Farm Equipment Inaugurated

# **Key Highlights in FY 2013-14 Launched Sub 15 KVA Genset**

### **Strategic Drivers**

#### 1. Expanding Product Play

#### 2. Strengthening Market Play

#### 3. Operational Excellence

4. Building Functional Capabilities

# The Company is focussing on rapid Market Development to drive growth

#### **OEM Development**

- → TVS for 3W & PVPL for 4W SCV
- → M&M and ALL for Genset Engines
- → Int'l OEMs for non-automotive applications

#### **Channel Development**

- → Developing channel for electrical & diesel pumpset
- → Implementing Dealer Management System

Market Development

#### **International Business**

- → Deployed manpower in various countries to develop Greaves as a locally entrenched entity
- → Channel established in SAARC, East Africa and Middle East; Developing in SE Asia

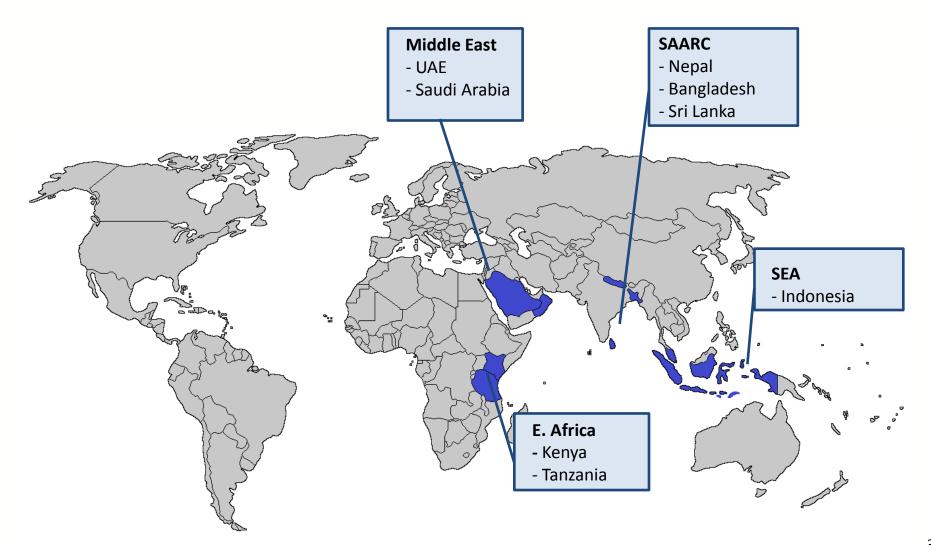

#### **Aftermarket**

- → Enhancing dealer network to improve service revenue and response
- → Leveraging network for distribution and sale of non-traditional parts

# Greaves has established presence in focussed global markets

# **Key Highlights in FY 2013-14 Partnership with TVS for Diesel 3W**

### **Strategic Drivers**

1. Expanding Product Play

2. Strengthening Market Play

3. Operational Excellence

4. Building Functional Capabilities

# Greaves is strengthening backend to improve profitability through operational excellence

#### **RMC Reduction**

 Company-wide Initiative (Project PROPEL) has continued to provide benefit. In 2013-14, the project helped in improving contribution by 1%

### Working Capital Reduction

 Gross Working Capital has been reduced from Rs 536 Cr. to Rs 491 Cr. over March' 13

#### Exiting Non-Strategic Areas

- Divestment of Greaves Farymann Diesel
- Closure of Greaves Cotton Netherland and Foundry Unit at Pune

# Key Highlights in FY 2013-14 Won the second consecutive "Excellence in Delivery Award from Tata Motors"

# Key Highlights in FY 2013-14 Gold Certification- National Award for Manufacturing Competitiveness

# National Awards for Manufacturing Competitiveness 2013-14

TO APPRAISE AND APPLAUD

MANUFACTURING COMPETITIVENESS

### **Strategic Drivers**

1. Expanding Product Play

2. Strengthening Market Play

3. Operational Excellence

4. Building Functional Capabilities

# The company has put in place a strong leadership team...

Sunil Pahilajani MD & CEO

Functional Leadership

#### **Business Leadership**

S Kumar CEO – Engine Business

Vinay Khanolkar CEO – Products & Aftermarket

**R. Nadagopal**CEO - Construction
Equipment

**S. Parab** CEO – Int. Business

# ... and is focussing on organization development to build functional capability

# Integration of Product-Market Functions

- Consolidation of Automotive and Industrial engines into unified engines business to drive synergy benefits
- Aftermarket of all business lines consolidated into unified business in 2012 is enabling rapid development of service capability

# Integration of Manufacturing & Supply Chain Operations

• To build functional capability and reduce costs, the company has consolidated all manufacturing and sourcing operations under unified "Operations Group"

# Building Culture and Driving Engagement

- Major thrust on driving Panchatatva (Greaves Values)
- Employee engagement being driven as major initiative

### **The Winning Team**
