### Greaves Cotton Limited's Fight Against Spurious Spare Parts Continues

*~Protects consumer interest by promoting Greaves Genuine spares*

**Coimbatore, 27<sup>th</sup> February, 2018** – In its endeavor to provide only genuine products to the customers, Greaves Cotton Limited, one of India's leading engineering firms, has intensified its nationwide initiative of cracking down on the businesses of spurious auto parts by successfully carrying out two raids in Coimbatore. The company recently seized spurious products from M/S Lumesh Auto and M/S RC Auto Centre in Coimbatore. The manufacturing and selling of counterfeit products is against Greaves' philosophy of providing only genuine spare parts. This exercise, aiming to curb the menace of spurious spare parts is demonstrative of Greaves Cotton's commitment to its millions of customers in the last mile transportation segment. Spurious parts not only damage the vehicle but can also create a substantial impact physically and financially on the lives of the end consumer.

The enforcement team consisting of the Indian Police and Greaves Cotton's legal team has been working closely and identifying both manufacturing units and selling outlets and locations of counterfeit spares across major cities and trade hubs in India. They have arrested *Mr Bahavin Parav from M/S Lumesh Auto* and *Mr Kapoor from M/S RC Auto center*. The spurious parts have been seized from M/S Lumesh Auto and M/S RC Auto centre.

Commenting on this exercise, **Mr. Nagesh Basavanhalli, MD & CEO** said, *"The manufacture and sale of spurious spares is a matter of grave concern for the Industry. We are strongly committed towards protecting our customers from these spurious parts. Greaves has wide network of 3500+ spare parts outlets across the country providing quality parts to our customers"*.

#### **About Greaves Cotton Ltd:**

Greaves Cotton Limited, a Rs.1800 crore, multi-product, multi-locational company is one of the leading engineering companies in India with core competencies in fuel agnostic powertrain solutions and services, farm equipment and Gensets.
