Ampere announces new EV dealership in Attapur, Hyderabad

Mr. Satyanarayana - Chairman, Adarsha Group inaugurates the store that will offer a wide range of Ampere electric scooters

Hyderabad, August 18, 2022: Ampere, the electric two-wheeler scooter brand under Greaves Electric Mobility, a wholly owned electric mobility subsidiary of Greaves Cotton Ltd, has announced the launch of its new EV dealership under Adarsha Motors in Attapur, Hyderabad, Telangana. This dealership will strengthen the brand's presence in Hyderabad.

Inaugurated by ***Mr. Satyanarayana, Chairman of Adarsha Group***, the store will offer all Ampere products along with the additional EV resources. The 3S facility store is located at Adarsha Motors, Pillar No 71, Gudimalkapur, Balaji Nagar, Attapur, Hyderabad, Telangana - 500028. Through this expansion, Ampere re-affirms its vision to make EV adoption fast and accessible, enabling last-mile connectivity.

Commenting on the launch, Mr. Sanjay Behl, CEO & Executive Director, Greaves Electric Mobility said, "We are delighted to announce the launch of our new dealership store in Attapur. Telangana is a significant market for Greaves and the new dealership store will serve the secondary level network for the entire Hyderabad district and provide the best connectivity for other adjacent small towns. The new dealership will cater to the growing demand for EVs in the city and provide the best ownership experience to the EV enthusiast."

Customers can now buy a wide range of Ampere electric scooters of their choice including the latest Magnus EX at the new EV stores, along with a variety of other EV accessories. Ampere believes in creating sustainable and affordable mobility solutions that provide exhilarating drive experiences and higher functional usage. With 1.5 Lakh+ happy customers and more than 400+ authorized sales and service outlets across the country, a customer can buy and benefit through entire ownership of the vehicle with assured life cycle support.

Ampere is one of the fast growing electric two-wheeler scooter brands in the country. With its new EV mega facility in Tamil Nadu's Ranipet by Greaves Electric Mobility, Ampere is well positioned to lead the EV revolution in India especially in the electric two-wheeler scooter segment. As India enters a new era
