

Greaves Electric Mobility 3 W (GEM 3 W) Revolutionises Affordability with the New Eltra City E3W at Just Rs. 3,66,999!

Bangalore, July 18, 2024: Greaves Electric Mobility, through its 3W subsidiary, has announced that its electric 3-wheeler passenger vehicle, Greaves Eltra City, is now available at an unbeatable price of Rs. 3,66,999, owing to the massive surge in demand and positive reception for its best-in-class features. Prioritising comfort, efficiency, and innovation, the Eltra City has been delivering on its promise of 'Everything Extra' for both commuters and drivers since its launch early this year.

The Eltra City provides a segment-leading range of approximately 160 kilometres on a single charge, powered by a 10.8 kWh lithium-ion battery and 9.6 kW motor, which enables uninterrupted travel and higher profitability for drivers. Further, it is equipped with features like 14-degree gradability, 49 Nm torque, and hill hold assist for a seamless and comfortable driving experience on challenging urban and semi-urban roads. Greaves Eltra City also boasts a state-of-the-art 6.2" digital instrument cluster with IoT capabilities to assist drivers in leveraging real-time information and navigation conveniently. Engineered with safety as a top priority, the Eltra City features a robust full metal body and comes with a 3-year warranty (which is extendable to 5 years).

Vijaya Kumar, Director, Greaves Electric Mobility 3W (GEM 3 W), GEMPL, said, *"GEMPL is committed to revolutionise urban transportation by making sustainable and efficient mobility solutions accessible to everyone. The Eltra City E3W passenger vehicle is a testament to our dedication to affordability and excellence. With its best-in-class features, exceptional range, and innovative technology, the Eltra City is poised to redefine the commuting experience for both passengers and drivers. We are excited to witness the positive impact this will have on urban mobility and look forward to continuing our journey towards a greener future."*

Backed by Greaves Cotton Ltd.'s 163+ year legacy and extensive network, GEMPL aims to transform e-rickshaw ownership by ensuring a seamless customer experience and exceptional after-sales support for optimal customer satisfaction.
